Profile

Business Administration graduate (Honours, Cum Laude) with the Investment Funds in Canada (IFC) certification and 16 months of co-op experience in high-volume service and operations. Resolved **40–60 requests a day at 100% SLA compliance**, cut print and supply costs **32%** through Excel analysis, and reconciled up to **\$2,500 in daily transactions at 100% accuracy**.

Experience

Administrative Service Assistant (Co-op)

May 2024 – Aug 2025

Algoma University, IT Department, Brampton, ON

- **Service delivery:** Resolved **40–60 requests daily**, including **10–20 phone calls**, through the Freshservice ticketing system at **100% SLA compliance** for a campus of about **5,000 students**, escalating non-standard issues.
- **Cost reduction:** Cut print and supply costs by **32%** by analyzing multi-device usage data in Excel (XLOOKUP, data summaries) and presenting findings at a monthly department meeting, leading to per-print page limits and a **\$20** rechargeable balance in place of **\$50** per semester.
- **System migration:** Supported the move from Kofax Equitrac to PaperCut by configuring and testing the new platform, migrating user print balances, and helping staff through the changeover.
- **Onboarding:** Onboarded and trained **5–7 new staff each semester** across other departments and faculty against documented SOPs, setting up laptops and accounts and resolving login issues.
- **Workspace redesign:** Led a redesign from 3D scan and Blender mockup through implementation, coordinating vendors and facilities scheduling to improve accessibility and space efficiency.

- **Digital signage:** Led a campus signage rollout, using foot-traffic analysis to choose placements and working with Health & Safety to meet egress-clearance and non-obstruction requirements.

Service & Operations Team Member

May 2022 – Dec 2022

Copper Branch, Mississauga, ON

- **Cash handling:** Processed and reconciled **\$1,500–\$2,500** in daily cash and card transactions at **100% accuracy**, including end-of-day drawer reconciliation under store audit standards.
- **Customer service:** Served **10–12 customers per hour** at peak, taking phone orders, recommending menu additions, and resolving complaints with judgment-based remedies.

Radio Presenter

2019 – 2021

HITS FM 91.2, Kathmandu, Nepal

- **Live broadcasting:** Produced and hosted live programming to strict on-air deadlines, coordinating with production staff and meeting sponsor communication standards.
